Dear Eastport-South Manor Junior-Senior High School Families,

I am writing today regarding a matter of personnel that was stated during last night's Board of Education meeting. On Tuesday, the district was informed of a complaint made against an employee at the Junior-Senior High School. The matter is currently under investigation, and the employee has been administratively reassigned off campus.

While I understand that many will have questions regarding this, please understand that the district maintains a policy of not commenting on specific personnel issues to uphold the privacy and confidentiality of those involved. This practice ensures a fair and respectful process for all individuals concerned.

Rest assured, decisions made by the district and in concert with the Board of Education align with our commitment to providing a protected, supportive and enriched environment for every member of our school community.

Thank you for your understanding and continued support.

Sincerely,

A handwritten signature in black ink that reads "Joseph A. Steimel". The signature is written in a cursive style with a large, stylized "J" and "S".

Joseph A. Steimel
Superintendent of Schools
