Dear Parent or Guardian,

The USDA has announced it has canceled the free meal waivers for all students in the 2022-2023 school year. For your child to qualify for free and reduced meals this year, you are encouraged to complete a Free and Reduced meal application.

More information regarding Free and Reduced Meal for students as well as the applications is now available on the District website at <https://www.esmonline.org/food/home> under the Food and Nutrition Department tab. Applications are also being emailed to parents and guardians. All applications are kept confidential.

If you have any questions regarding Free and Reduced meal applications, please contact Kim Kreger at 631-801-3076.

Thank you and enjoy the remainder of your summer!
