JOSEPH A. STEIMEL
Superintendent of Schools

SHELITA WATKIS, Ph.D
Principal

October 14, 2022

Dear Parent(s)/Guardian(s):

The United State Department of Education provides financial assistance to school districts to help ensure that all children meet challenging state and local academic standards through the Title-I grant.

Dayton Avenue is designated as a Title-I school within the Eastport-South Manor School District. The funding received from the grant allows us to supplement academic programs for students. Based on our initial district screening and record review, we have determined that your child qualifies for additional support from intervention specialists. Your child may already be receiving these additional supports during the school day.

We would like to invite you to an in-person meeting on **Wednesday, October 19, 2022 at 6:00pm**, to give you an opportunity to learn more about Title-I funding and how we will support your child's success. This meeting will take place in the Library.

We hope that you are available to join us to learn more about our approach in providing intervention and techniques you can use at home to ensure your child's continued success in school.

Sincerely,

Dr. Shelita Watkis
Principal
