Dear Families,

This month, we are exploring Habit 8 which is Find Your Voice and Inspire Others to Find Theirs. As students learn about this habit in their library class, they are encouraged to make connections to careers. Our students also continue to show great interest in STEAM and are so curious to explore the world of Science, Technology, Engineering, Art and Math. We would love to offer students an opportunity to see an interconnectedness between the Habit 8 and STEAM and begin to think about STEAM careers, or how their hobbies and passion can inspire others.

To support this goal, we would like to offer families the opportunity to share your STEAM related professions with students. If you would like to be featured on our STEAM wall or prepare a brief presentation to share with students, please let us know by responding to [this survey](#). Respondents will be contacted by Mrs. Andreassi, our STEAM teacher or Ms. Skidmore, our Librarian.

We look forward to hearing from you!
