

The "Tuttle Cares Club" Needs Your Help Again!

The non-profit organization

"Underdog Toys"

is looking for gently USED toys.

Underdog Toys is a NonProfit second hand toy store located in Eastport. They are raising money in support of single parents and their dreams of having the happiest kids in the world. They resell donated toys at prices that just about anyone can afford, and they use the profits to provide single parents with the ability to be the hero at gift giving times. With the profit from the toys collected this November Underdog Toys is hoping to supply 5 families with \$300.00 by Thanksgiving!

Underdog will gladly take gently used puzzles, learning toys, plush toys, games, dolls, building toys, books, video games, trains, action figures, cars and just about any toy in gently used condition or has ALL the pieces.

***The grade level that collects the most toys will earn a reward. This contest will end Monday, November 20th. There will be boxes set up in each grade level's hallway to collect items!**
