September 12, 2024

Dear 7th Grade Parents and Guardians,

The school year has gotten off to a terrific start here at the Junior-Senior High School. The students have been getting acclimated to their new teachers and classmates, and they are settling in for another successful school year.

As part of our next step in team building, our physical education teachers have planned an Adventure Education Day for all of the 7th grade students. Students and their classroom teachers will participate in this team building experience. Each team will engage in activities that promote cooperation, communication, and critical thinking for an entire day school day on our campus. The teams are scheduled as follows:

Wednesday 9/18	Thursday 9/19	Rain Dates:
Silver Sharks	Blue Sharks	TBD

Because this is a full day of Adventure Education, it is considered an “in-school” field trip for the students. As such, we will need for them to bring a **bag lunch**. Please be sure that you **label the bag lunch** with your child’s name. On their scheduled day of Adventure Education, the students will report to their 1st period class for attendance purposes. They *will not need* to bring their backpacks, Chromebook or books with them. They *will need* to bring their lunch with them to 1st period and then to the JHS gymnasium where we begin the day.

As this is a Team activity, students are encouraged to wear their **team colors**:

Blue Sharks – Dark Blue
Silver Sharks – Dark Gray

In addition to the team colors, students will need to **dress P.E. appropriate** for the day. This includes non-platform sneakers and clothing comfortable to move around in. Some other items to consider: sunblock, sweatshirt, water bottle.

All of the teachers are very excited to introduce the 7th graders to Adventure Education. I am hopeful that it will have a wonderful impact on the students as they continue their educational journey with us.

Sincerely,

Sal Alaimo
Principal
