February 3, 2025

Dear 6th Grade Parents and Guardians,

We are happy to announce that we have included a Circus themed unit in our physical education curriculum. During the week of February 3rd, 6th graders will participate in a variety of activities during their physical education classes with the support from the National Circus Project.

On Friday, February 7, at 6 pm, our 6th grade students are invited to put on a performance for their families at the school. This is an amazing and fun experience for all. We hope that your child will participate in this memorable experience.

Please note that participants will be required to wear black pants and a white top (nothing fancy though!). If your child chooses the role of a clown, they will make their own costume closer to the event. All participants must arrive at the school at 5:45 pm on the night of the event and concessions and circus items will be on sale courtesy of our PTO.

Please feel free to contact us at 631-801-3173 with any questions.

Sincerely,

Ms. Regan, Mr. Heptig, and Mr. Fabian
