

# Important Flag Day Reminders

June 12, 2025

Dear Parents,

The students of Tuttle Avenue School would like to invite you to a **Flag Day Celebration on Friday, June 13<sup>th</sup> from 10:45-11:40. Please bring your lawn chair or a blanket and meet us on the field behind the school.**

In the case of inclement weather on this day, an email will go home to the parents to inform you the outside event has been canceled. We are NOT scheduling a rain date. If the day is inclement, the children will meet indoors to celebrate and share this holiday together without parent participation. A parent square will notify you of any changes.

This is a day to remember and recognize our Nation's symbol that stands for freedom and independence. Each grade will be performing two songs that will pay tribute to our country. Also, it will be a time for Kindergarten and First Grade to recognize, honor and say farewell to our Second Grade students that will be moving up to Eastport next year.

We hope our families and friends will be able to join us for this very special day. Remember, everyone should wear their **red, white and blue!**

Sincerely,  
Tuttle Avenue Teachers

## **\*\* REMINDERS\*\***

- Please arrive no earlier than 10:10. **All parents should go directly to the field behind the school. A signature will be needed to get onto the field.**
- Remember that the District has a policy that school age children from other schools in the district are not allowed to be signed out to attend other school events during the school day hours.
- If it is a sunny day, please apply suntan lotion to your child before they arrive at school. Make sure you bring a chair or blanket to sit on and wear a hat. On a sunny day, there is no escape from the sun on the field.
- There will be security to help with additional parking, but please consider carpooling as this is typically a very well attended event and parking will be limited.
- **You will find the AGENDA for the program on the back. It will not be distributed.**
