## PLEASE NOTE!

The first few days of school will be a transition period for all of our 7<sup>th</sup> graders as they become accustomed to the Jr-Sr High School. All of our students will be issued a locker to store their belongings at the school tour before the first official day of school. We would recommend that families plan to bring some of these supplies at that time and store them in the locker. This way, students are not trying to bring it all at once on the first day!

Thank you and we look forward to meeting your children in September!
