

# SOUTHAMPTON EAST END YOUTH POLICE ACADEMY

The Youth Academy is a free week-long interactive summer educational program.

Our mission is to educate, inspire and empower young people by providing hands-on experience in law enforcement training. Through physical fitness, teamwork and scenario-based training, we aim to build leadership skills, discipline and a deeper understanding of the role police officers in the community have.

Students in the Youth Academy will be exposed to a variety of different learning and hands-on experiences related to police work. Each class will run for one week.
