Dear Eastport Parents and Guardians:

We are excited to invite you to our annual Open House Night on Tuesday, September 16, 2025. This is a wonderful opportunity for you to meet our staff, learn more about your child's classroom experience, and see the exciting learning taking place in our school.

The evening will consist of a Meet & Greet in the Gymnasium and individual classroom visits for each grade level. In order to accommodate all families in the parking lot and building, we have staggered the evening. The detailed schedule for the night is located below.

Open House Night is an important chance for us to strengthen the connection between home and school. Throughout the evening, families will have a chance to visit classrooms, meet teachers, and hear about curriculum plans, expectations, and ways to support learning at home. We believe that when families and educators work together, students thrive. We look forward to partnering with you in making this school year a successful and rewarding one for your child.

We encourage all families to attend and take part in this special evening. Your presence makes a difference!
