

2nd Annual Brookhaven Recycles Poster Contest

Attention children grades K-12!

Show us your best artwork that will inspire others to reduce, reuse, recycle, and take better care of our planet using one of the themes below.

Theme 1 - Choose to Reuse

Reduce, Reuse, and Recycle: all three Rs are important, and this theme focuses on the second one: Reuse.

For example, reusable bottles and Tupperware can replace single-use water bottles and Ziploc bags. Old boxes can be used to store things or can be made into a craft. There are so many creative ways to reuse old items, and they all help to make less trash.

Use your poster to show how people in your community can Choose to Reuse.

Theme 2 - Recycle Right

We want to recycle, but it's important to recycle right!

Make a poster that tells people what should go in the recycling bin. You can also use this to tell people what CANNOT go in the recycling bin.

You can find examples of what can be recycled by visiting BrookhavenNY.gov/Recycle

Distribution of this flyer does not constitute endorsement of an event, organization and/or agreement with material content by the District or Board of Education
