October 17, 2025

Dear Families:

We hope this message finds you doing well as we approach the exciting season of Halloween. We understand that this holiday can be a source of great fun and creativity for our students and we encourage their enthusiasm for all things Halloween.

While we recognize the excitement surrounding Halloween, we would like to remind parents and guardians that students will not be able to wear full costumes to school on Halloween, as this can pose potential safety concerns and disruptions to the learning environment.

However, students may express their Halloween spirit by wearing Halloween-themed attire. This can include Halloween-themed t-shirts, socks, hats, or other accessories that are safe and appropriate for the school setting.

Thank you for your cooperation and understanding. If you have any questions or concerns, please don't hesitate to contact us. We wish everyone a safe Halloween season.

Sincerely,

Dr. Watkis
Principal
