

The goal of **No-Shave November** is to grow awareness by embracing our hair, which many cancer patients lose, and letting it grow wild and free. Donate the money you typically spend on **shaving** and grooming to educate about cancer prevention, save lives, and aid those fighting the battle.

Male Faculty rules: Students may purchase a ticket for \$1.00 which will be placed in a jug in the cafeteria. Each jug will have the name of a male faculty member on it. Whoever wins the raffle will get to shave the faculty member at the end of the month.

Female Faculty rules: Students may purchase a ticket for \$1.00 which will be placed in a jug in the cafeteria. Each jug will have the name of a female faculty member on it. Whoever wins the raffle will get a chance to throw a cream pie in their teacher's face, then shave off the whip cream with a toy razor.

Great news! For the first time, we're inviting local businesses to donate and help support this vital cause. All funds raised through this community outreach effort will directly benefit The American Brain Tumor Association. Please reach out if your business is interested in contributing to this important mission. weissa@esmonline.org

Here are the faculty members who have donated their faces for this wonderful cause.
