Dear Families,

We are excited to share an update regarding our ongoing capital project! To facilitate the renovation of our current space, the Library Media Center will be temporarily relocated for the remainder of the 2025-2026 school year.

Starting **Monday, December 1, 2025**, the library will be housed in **Rooms 1551 and 1552**. While we look forward to unveiling our new facility next year, we are committed to providing full support to our students during this transition.

Here is what students need to know about the temporary space:

Books & Digital Resources

- **Room 1551:** We will host a limited, but carefully curated, collection of books here. Students may continue to check out fiction, graphic novels, biographies, and narrative nonfiction.
- **Ebooks:** Our entire digital collection remains fully available and will be supplemented with additional resources throughout the year.

Lunch & Study Hall Procedures

Students will utilize **Room 1552** for work and study.

- **Passes:** Lunch and Study Hall passes will still be available in the mornings near the rotunda.
- **Lunch:** Students must eat in the cafeteria *prior* to using their pass to come to the library.
- **Study Hall:** Students must check in with their regularly assigned teacher *before* proceeding to the library with a signed pass.
- **Space is limited!**

 **After School Hours** The library will remain open for supervised peer tutoring and quiet study until **3:15 PM**. Late bus passes will continue to be provided.

We thank you in advance for your flexibility and understanding during this construction phase. We are looking forward to enjoying our beautiful new space with the community next year!

Have a Happy Thanksgiving!

Sincerely,

EASTPORT-SOUTH MANOR
