JOSEPH A. STEIMEL
Superintendent of Schools

January 6, 2026

Dear Parents and Guardians,

We are writing to inform you of an exciting potential new resource for families within the Eastport-South Manor Central School District. In a collaborative effort with SCOPE Education Services, we are exploring the possibility of introducing a licensed before-school and after-school childcare program designed specifically for students at each of our elementary schools.

We understand the importance of providing safe, reliable, and enriching care options that align with the needs of our community's working families.

An attached letter from SCOPE Education Services provides full details about this proposed initiative.

This program is being considered for the **2026–2027 school** year. The decision to move forward with the program at our elementary schools depends entirely on the level of interest expressed by you, the parents and guardians.

Thank you for your time and continued partnership in making ESM the best possible environment for our students.

Sincerely,

Joseph A. Steimel
Superintendent of Schools
Eastport-South Manor CSD
