Dear South Street School Families,

We are thrilled to announce the launch of our new School House System! Starting this year, every student at South Street School will join one of four "Houses." Think of it like Harry Potter—but with a South Street twist! Our goal is to build a stronger sense of community, teamwork, and school spirit across all grade levels.

The Four Houses:

Each House (habitat) is themed around exploration and aligns perfectly with our Leader in Me 7 Habits.

- Adventure
- Discovery
- Expedition
- Journey

How It Works:

Random Selection: Students will be randomly assigned to a House. Your child will stay in this House for their entire time at South Street.

House Shirts: To get us started, the PTA is generously providing the first House shirt for every student at **no cost!** If you would like to purchase additional shirts later, those will be available at your own expense.

What We Need From You:

To ensure your child gets their **free** shirt, we just need you to provide their size and classroom teacher's name. Please click the link below to select your child's shirt size by **THURSDAY, MARCH 19th!**

We can't wait to see our students represent their new Houses!
