

6TH GRADE SLIDESHOW

As we near the end of the school year, we are putting together a special video to celebrate our children's journey from K-6th grade. It's hard to believe how quickly this year has flown by!

To make this video meaningful, we need your help! Please send:

- 📷 One individual photo of your child from Pre-K or Kindergarten
- 📷 A few group photos no more than 10 with South Street & Dayton Avenue friends from over the years in ESM related events

You can email the photos to SMgrade6boosterclub@gmail.com and be sure to **include your child's name and teacher's name**, so we can place them in the correct class. **If you know the students in the photos, please provide a list of their names** as well.

Thank you for helping make this a wonderful keepsake for our students! **Due date: Friday, May 22.**
