April 15, 2026

Dear South Street School Families,

On Friday, May 1, 2026, we will be celebrating our annual SuperHero Day - a national day set aside each year to honor our superheroes, both real and fictional.

At South Street School, we use this day to recognize and celebrate our backyard Superheroes, those professional and/or volunteer "heroes" who are such a wonderful part of our ESM community, and serve to protect and care for us each day. If you have a family member who is a hero (military, fire, police, health, etc.) and would like to attend and present to some of our classes, please let your child's teacher know. While not mandatory, the children are invited to dress as their favorite "hero" on SuperHero Day as a little tip-of-the-cap thank you to our local heroes.

Please note, as part of our first responder presentations there may be numerous emergency service vehicles at the school on Friday, May 1.

We look forward to celebrating our SuperHeroes and hope you can join us on this day.

Thank you!

Regards,

John-Michael J. Jackson
