REBECCA L. BELLEZZA
Principal

April 23, 2026

Dear Tuttle Avenue Families,

We are excited to invite you to our annual Leadership Day, which will be held on Friday, May 1, 2026. This special event provides an opportunity for our students to showcase their leadership skills and share their learning with you.

Each grade level will participate at a designated time:

Grade 2: 9:30 AM – 11:00 AM

Grade 1: 11:15 AM – 12:45 PM

Kindergarten: 1:00 PM – 2:30 PM

During your child's session, you will begin with a brief, student-led grade-level introduction, followed by a rotation through a special area and your child's classroom. Classroom experiences will highlight the 7 Habits of the Leader in Me program through student-led activities, discussions, and presentations. Students will also share their work, reflect on their learning, including their leadership journals, and celebrate one another's leadership growth.

We look forward to having you join us for this meaningful event and seeing our students take the lead in sharing their learning.

Sincerely,

Rebecca L. Bellezza

Principal, Tuttle Avenue School
