Dear Parents/Guardians,

I would like to provide you with important details regarding the upcoming Regents and Final exams. New York State has scheduled earlier exams on June 9<sup>th</sup> and June 10<sup>th</sup>.

**June 9<sup>th</sup>**, High School students should only report to school if they have an exam. All Junior High students will report to school as normal.

**June 10<sup>th</sup>**, all students should report to school as normal, as Regents examinations will be administered during the regular school day.

Over the coming weeks, our teachers will review the schedule with students to ensure they know when to report. Please review the attached schedule with your child as well.

Our last full day of school is **Tuesday, June 16<sup>th</sup>**. Finals and Regents exams will follow the attached schedule from June 17<sup>th</sup> – June 26<sup>th</sup>.

Here are important reminders:

- **Entry:** Students should only enter the building for their scheduled test session or Regents review and must leave once the session is over. If your child does not have an exam or review scheduled, they should **not** come to school that day. Please review the attached exam schedule, with numerous bus times to accommodate arrival to and departure from school.
- **Regents Review:** Optional review sessions will be scheduled by teachers to help students prepare for their Regents exams. These sessions are not mandatory. Teachers will provide detailed information about review session locations and additional availability.
- **Electronic Devices:** All personal electronic devices - including cell phones, smart watches, meta glasses, and air pods - will be collected before students enter testing locations. Please ensure your child is aware of this policy. (**Note:** for certain Final exams students **must** bring their **charged** Chromebook. Teachers will be notifying students on the format of their exam and whether a Chromebook is required.)
- **Attendance Reminder:** It is crucial that students do not miss any Final exam sessions unless they have documentation as per district policy. Vacations are **not** an excused absence. Students will not be allowed to retake a missed Final exam, which will result in a zero. Regents exams are scheduled for specific dates and times; students who miss a Regents exam will have to retake it in August.
- **Student Accommodations:** Student accommodations including additional time only applies for students receiving extended time as stated on their IEP or a 504 plan. Transportation will be available for students receiving this accommodation.

- **Regents Release Time:** Students taking Regents exams **must** remain in the testing location until the New York State uniform release time: 10:00 a.m. for morning exams and 2:00 p.m. for afternoon exams.

Should you or your child have any questions or concerns about the exam schedule or any other related matters, please do not hesitate to reach out to their teacher or counselor for assistance. Thank you for your cooperation and support as we navigate this exam period together.

Best regards,

Sal Alaimo  
Principal
