Dear Tuttle Avenue School Kindergarten Families,

I hope everyone is having a wonderful summer! To help make the transition to kindergarten a little easier, we are inviting families to stop by Tuttle Avenue School on **Friday, August 28, 2026, between 12:00 p.m. and 3:30 p.m.** to take that highly anticipated **first day of school picture** in front of our school!

Taking your picture ahead of time will save you a little time on the first day and help ease some of those first-day jitters while capturing this special moment. And don't worry, no one will ever know you took the picture early when you share it with family and friends on September 1st!

While the building will not be accessible as we complete final preparations for the school year, you are welcome to bring your child's school supplies with you and leave them at school during your visit. Tuttle Avenue staff will make sure the supplies are delivered to the correct classroom. Please be sure to clearly label your child's bag with their name and teacher. Teacher placements will be available through the Infinite Campus Parent Portal prior to this date.

We can't wait to welcome our new kindergarteners to Tuttle Avenue School!

See you soon!

Sincerely,

Rebecca L Bellezza
