JAMES P. MCCLINTOCK, *Assistant Principal*

Dear ESM Parents/Guardians and Students:

Please refer to the information listed below regarding the Scheduling Process for the 2021-2022 school year.

We are currently engaged in planning our student schedules for our next academic year. At this time we are asking our students and families to review our Course Catalog, as well as their current placements, and determine the academic courses that most align and interest each of our students. Our Course Catalog is posted to the Junior-Senior High School website and can be accessed by clicking on "Departments" in the top header and then selecting "Guidance". The Course Catalog includes descriptions of course offerings, pathways and advancement within each department and an overview of New York State Commencement requirements.

Once students and families have discussed their intentions for the 2021-2022 school year, we are asking each student to fill-out the scheduling form by clicking on the appropriate link below. To access their grade level form, the student will need to be logged in using their ESM account. All forms must be submitted by Friday, January 22, 2021. Students who complete the form will have their meetings scheduled first.

Incoming Freshmen (current 8th graders) – <https://forms.gle/BP3oWMLEXoev9wK7>
Incoming Sophomores (current 9th graders) – <https://forms.gle/5YApsCVmnrG9686G6>
Incoming Juniors (current 10th graders) – <https://forms.gle/iqEbKLFcWNuEzErk8>
Incoming Seniors (current 11th graders) – <https://forms.gle/tHyLeVsx6K8q26Mh8>

Beginning February 1st and continuing through early March, the counseling staff will meet with students, individually, to discuss next year's courses. During this meeting, students will verify the information submitted on the form and have the opportunity to discuss their academic course selections. Please note that students will receive a pass in their Homeroom for these meetings and meetings will be held virtually for our fully remote students. More information will be forth coming.

Throughout the spring, the high school staff will work to create the master schedule. Please realize that the courses in the Course Catalog are listed on a tentative basis. As the spring progresses, counselors will meet with students to resolve any scheduling conflicts. Please be advised that for a variety of reasons, including, but not limited to: low student interest/enrollment, continuity of established programs, and shifts in building needs, not all elective courses may run as offered during the course selection process. If a student selects an elective course that does not run, they will be placed in an alternate course of their choosing.

If you have questions regarding the scheduling process or your child's course selections for the 2021-2022 school year, please do not hesitate to contact your child's school counselor at 631-801-3271/3272.

Sincerely,

A handwritten signature in black ink, appearing to read "Sal Alaimo".

Sal Alaimo
Principal
