Please be reminded that the symptoms of COVID-19 are similar to the regular seasonal influenza and include fever, coughing, and shortness of breath. Some have reported additional symptoms, such as a runny nose, sore throat, nausea, lethargy, lack of appetite, rash, vomiting, and diarrhea.

*Please remember that in order for the schools to remain open and have our students attend class in-person, **any students with symptoms of illness should not attend school.** If your child is exhibiting any symptoms such as those listed above, please contact your child's medical provider.*

Cordially,

Joseph A. Steimel
