Dear Parents and Guardians,

Please be advised that an additional high school student has also tested positive for COVID-19. The student will not return to school until the SCDOH releases them from the quarantine.

The District is currently following the SCDOH protocols for contact tracing.

Please note that the District will advise all families anytime a student or staff member tests positive for COVID-19. The health and safety of our students and staff is our foremost priority.

As always, please reach out to my office if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Joseph A. Steimel".
