East Moriches Community Ambulance

Open House Poster Contest

Theme: Safety

East Moriches Ambulance will be having a Poster Contest for our Open House. This year's theme is going to be **SAFETY**.

We are asking any available students from grades K-4 to participate in this poster contest with their teachers. The poster can be of anything relating to safety, so let your students be as creative as possible.

The winners will be announced at our Open House on June 1st, 2019 between 11am and 3pm.

The deadline for all the posters will be on Friday, May 24th, so that the Ambulance's Open House Committee has enough time to choose the winners in each grade and give the winner's enough notice if they wish to attend the Open House.
