

# We need your help!

**Team Up wants to reach as many special needs families as possible. Please share this flyer with special needs families in your school, community or organization.  
Participants can register to participate on our website.**

**Please find attached, an informational flyer for our next Team Up event.  
Please copy and distribute this flyer to as many families as possible.**

Team Up is a Volunteer Organization whose mission is to host sports events and activities where Student Volunteers "Team Up" one-on-one with a special needs child. During our events, Participants engage in modified games, fun activities and contests with a Student Volunteer helping as needed. Our Student Volunteers are trained by a team of Special Ed Teachers, Occupational Therapists and Physical Therapists on how to interact with children with disabilities ranging from Autism to Down's Syndrome to ADHD, and the like.

Our events and our training are focused on hosting events for children with high-functioning disabilities; generally participants should be able to walk, run, kick and throw with little or no assistance. While we want every child to experience the thrill of participating in athletics, our events are not designed for children with severe behavioral or physical disabilities.

**Participation is FREE for ALL!**

**...and best of all, ALL Participants get a BIG TROPHY!**

For more information about Team Up please visit [www.TeamUpSports.org](http://www.TeamUpSports.org) or contact:

Jeff Minihane  
Executive Director of Team Up  
631-766-4584
