Dear ESM Family,

This past Friday, August 7, 2020, Governor Andrew Cuomo directed school districts across New York State to post three specific plans on their district website, separate from the overall reopening plans which we have already submitted. These plans are:

- COVID-19: Testing of students and employees
- COVID-19: Contact tracing
- Remote Instruction

In order to facilitate easier access by parents, these plans are now available for you to review on our district [website](#).

I would like to remind everyone that you may also access our entire ESM [District Reopening Plan](#) on our website as well.

The Governor has also asked school districts to continue to schedule meetings with parents and teachers. The goal of which is for the community to learn and ask questions about the school's reopening plans. We are scheduling our additional Reopening Forums with the community next week. During these forums, we will provide you with specific details about our reopening plans, as well as gather information for us to address and clarify from our community. Information about these scheduled events will be sent to you via email tomorrow.

Your ongoing support for the school district and most importantly our students is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Joseph A. Steimel". The signature is written in a cursive style with a large, looping initial "J".
