Dear Parents/Guardians,

In accordance with ESEA Section 1111 (h) (6) Parents Right-to-Know, the Eastport-South Manor Central School District is notifying every parent of a student in a Title I school (Dayton Avenue, South Street, and Eastport-South Manor Junior-Senior HS) that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information may include, at a minimum, the following:

1. Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you.

***At this point in time, all teachers hired by our District are highly qualified.***

If you have any questions, please contact the Office of Personnel at 801-3022.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph A. Steimel", is written over a large, stylized, light-colored circular graphic element.
